

WVLX Market Report

Prime Cattle - 15th of August, 2022

Total Yarding: 109

Agents yarded a very small number of 109 at Mortlake and not all the regular buyers were present. Feeder competition was again active, however, the quality on offer over all was very plain.

The sale was generally firm for most categories with the exception being cows which were 10c/kg stronger in places mainly due to the lack of numbers.

Yearling Steers and Heifers made between 446c/kg and 490c/kg with feeders paying to 490c/kg. Grown Steers and heifers were making between 360c and 476c/kg. Best beef cows sold to 374c/kg with the general run making between 324c/kg and 370c/kg with no cows returning to the paddock this week. Dairy Cows made from 270c to 309c/kg.
