

Western Victoria Livestock Exchange

WVLX Market Report Store Sale - 17th of November, 2022

Yarding: 4,498

The second store sale for November saw just shy of 4,500 head of cattle presented in Mortlake with a large crowd of buyers, vendors, agents, transporters and onlookers attending.

There were close to 570 grown steers yarded that averaged around 516c/kg, a drop of about 30-50c/kg on last month's big store sale. The top pen of grown Angus steers were on account of MF & RI Brian that sold for 572c/kg, averaging \$2013ph.

Agents yarded around 2100 weaner and yearling steers, which averaged around 630c/kg. Ryan Pastoral had a great yarding of 145 Angus weaner steers that sold from 612-702c/kg, averaging \$1791-2201ph, while Emu Downs also presented a large run of 243 Angus weaner steers that sold from 658c/kg to the top of 782c/kg, returning \$1684-2074ph.

Grown Heifers held up quite well in comparison to the steers, with around 270 yarded averaging 511c/kg. Ennerdale Proprietors had a pen of Hereford grown heifers that sold for the top of 590c/kg, averaging \$1814ph.

There were around 1300 yearling and weaner heifers yarded which averaged around 627c/kg. Emu Downs also had a great run of 236 Angus weaner heifers that sold from 738c/kg to the top of 752c/kg, returning \$1720-2173ph.

Overall, the steer sale seemed to be more affected than the heifer job which was actually quite resilient and quite strong. Our congratulations to all the vendors for presenting their cattle in such good condition, particularly given the trying circumstances at the moment, and our thanks to all the buyers for their support.

The next store sale will be held on Thursday 1st December at 10am, with the last store sale for the year to be held on Thursday 15th December.

Market Report: WVLX Agents Association president, Jack Hickey.
